

New Safety Policies for our Gatherings at Corner-Stone...

1) Services will begin on-site beginning May 24th

- We will have two opportunities to join us on-site, 9am and 11am
- We will Livestream the 9am service and then also make it available online afterward

2) We are removing 50% of the current seating and forming the remaining seating into “family group” seating that is at least 6 feet apart from other seats

- Ushers will escort you to your seats before the service and then we will dismiss from the back of the Sanctuary to the front after the service
- There is to be no gathering in the Welcome areas at this time
- There will be no Coffee Bar or refreshments at this time
- The Children’s classrooms, back halls, and Fellowship Hall will be blocked off from entering

3) We strongly encourage everyone (except small children) to wear facemasks while inside the church

- This is both for your protection, but also to demonstrate our care for the others that we are meeting with
- We will have masks available if you do not already have your own

4) There will be no other ministry activities except the worship service (no nursery, children’s classes or Life Groups)

- Worship Services will be a maximum of 45 minutes long in their entirety so that we can help parents with children as much as possible
- Children must remain with their parents the entire time inside the building

5) The church will be cleaned before and after each service with an industrial strength cleaner that kills 99.99999% of viruses including Covid-19

- Bathrooms will be open with no more than two inside at a time
- A volunteer worker will clean the bathroom after each use
- Hand sanitizer will be available at the front door and at the entrance to the Sanctuary

6) All attenders will be asked to refrain from “gathering together” inside the building but are free to safely gather using social distancing guidelines in the parking lot away from the front door

- Please refrain from hand shaking or hugs at this time (elbow bumps are fine)

7) Anyone who has been feeling sick or has been running a fever is asked to worship with us from home during the 9am Livestream or the recorded Livestream any time after 10am
